Academic-Athletic Center

The Morehead State University basketball teams are in their eighth season in the Ellis T. Johnson Arena, the largest facility within the Academic-Athletic Center.

The arena was named for Johnson in February, 1987. A native of Morehead and a resident of Huntington, W.Va., Johnson served with great success as MSU's athletic director, head basketball coach and head football coach. His coaching record includes more victories in football (54) and basketball (176) than any other coach in MSU's athletic history. He was among the five founders of the Ohio Valley Conference. He is a member of the MSU, OVC and Kentucky athletic halls of fame.

The Eagles have won 69 and lost only 30 in the arena for a winning percentage of .697.

The arena portion of the AAC can seat 6,500 for basketball with additional seating available for concert events. A hydraulic stage located at the east end of the arena can be raised up to six feet above the floor level for conversion from a

basketball floor to an auditorium platform.

The AAC houses offices for all athletic staff members except football, baseball and soccer. Also located in the complex are a basketball weight room, training room, gymnastics room, physiology laboratory, a

VIP room for entertaining guests, sauna and steam rooms, and four concession areas.

A 300-seat swimming pool and diving area, also a part of the AAC, serves as the home for the Eagle swimmers and as a site for instructional and recreational swimming.

Dr. C. Nelson Grote President

Dr. C. Nelson Grote became the 11th president of Morehead State University on July 1, 1987, returning to the campus where he began his career in higher education administration nearly three decades earlier.

A former dean of MSU's College of Applied Sciences and Technology, Dr. Grote left the University in 1971 to become president of Schoolcraft College, Livonia, Mich. In 1981, he was named chief executive officer of The Community Colleges of Spokane, a post he held until his appointment at MSU.

The native of Illinois first came to MSU in 1960 as an associate professor and chair of the then-Division of Applied Arts. A member of the graduate faculty, he later attained the rank of full professor.

Dr. Grote earned the Ed.D. degree at the University of Illinois, the M. Ed. degree at the University of Missouri

and the B.S. Ed. degree at Eastern Illinois University. In 1978, he received the Distinguished Alumnus Award from Eastern Illinois.

Intensely interested in economic development, the educator/administrator has served on various economic development commissions at the national, state and local level and has participated in trade missions to China and Japan.

Dr. Grote also has taken leadership roles in education consortia, promoting cooperative efforts in education at all levels, and encouraging partnerships among business and education.

Named Outstanding CEO of the Pacific Region in 1986 by the Association of Community College Trustees, Dr. Grote currently serves on the Committee on Economic Development of the American Association of State Colleges and Universities (AASCU) and is a member of Kentucky's Conference of Presidents. An ex-officio member of the Morehead-Rowan County Chamber of Commerce Board of Directors, he is the 1988-89 president of the Ohio Valley Conference (OVC) and serves on an OVC ad hoc committee on cost containment strategies. He also is on the Jesse Stuart Foundation Board of Directors.

Dr. Grote and his wife Wilma are the parents of three children: Mrs. Sonny (Carol) Jones, Mrs. Dave (Jan) Adam and Mark, all of whom live in Seattle, and four grandchildren. The Grotes are members of the First Christian Church of Morehead.

Steve Hamilton Athletic Director

Steve Hamilton, Morehead State's head baseball coach the last 12 years and a former professional baseball and basketball player, was named MSU's athletic director in July, 1988, after a year as acting athletic director.

A two-time graduate of MSU, Hamilton has accumulated a 287-249 mark as head baseball coach and will maintain those duties along with his new appointment.

Hamilton was named 'OVC Northern Division Coach of the Year' for the third straight season in 1986. It was the fourth time the league has honored Hamilton as the league's top coach. He has guided the Eagles to divisional championships in 1976, 1977, 1983, 1985, and 1986. His Eagles were declared OVC champions in 1977 and 1983.

Hamilton has guided the Eagles to a pair of NCAA Tournaments. In 1977, MSU participated in the NCAA South Regional in Miami, Florida while finishing as runnerup in the NCAA Midwest Regional in Ann Arbor, Michigan in 1983.

Hamilton's 11 years of major league baseball experience have been attractive to many high school baseball recruits. The southpaw played for the Cleveland Indians, Washington Senators, New York Yankees, Chicago White Sox, San Francisco

Giants, and Chicago Cubs. He eventually came up with the slow, arching pitch known to many as the 'Folly Floater'. He was a top relief pitcher with the Yankees for almost eight seasons and played in two World Series.

After retiring from professional baseball in 1972, Hamilton became the manager of the Johnson City Yankees of the Appalachian League in 1973. He also served as pitching coach for the Detroit Tigers in 1975.

Hamilton also played two seasons with the Minneapolis Lakers of the National Basketball Association becoming the only professional athlete to play in a World Series and an NBA Championship series.

Hamilton enjoyed a flourishing collegiate career at MSU, playing championship teams in basketball, baseball and track. During his basketball career, Hamilton established five school records in rebounding. He is the No. 4 all-time scorer at MSU with 1,829 points.

He paced the Eagles to OVC Championships in 1956-57 and was named an All-American in 1957.

Hamilton, who graduated from Charlestown (Ind.) High School in 1952, received his bachelor's degree from MSU in 1958 and his master's degree in 1963. He is married to the former Shirley Potter of Raceland, Ky. They have four children: Stephanie (Turner), Elizabeth (Copeland), Robert, and Daniel.

Tommy Gaither Head Coach

Tommy Gaither enters his second season as Head Coach of the Basketball Eagles with a full recruiting class on hand and his system firmly in place.

When faced with the task of hiring a men's basketball coach, Morehead State University administrators went looking for someone who had known success at the NCAA Division I level.

They found such a person in the 39-year old Gaither.

Gaither, a native of Fort Mills, S.C., spent four seasons at Baptist College in Charleston, S.C., accumulating a 70-46 record and becoming the school's all-time winningest coach.

His last two seasons at Baptist, Gaither led the Buccaneers to back-to-back 21-9 seasons, capturing the Big South Conference regular season and tournament championships both years. He was named the Big South Coach of the Year in 1985-86.

Gaither earned a general college diploma from Mitchell College in 1967. He earned a bachelor's degree from Clemson in 1969 and a master's degree from Clemson in 1977.

He began his coaching career at Indian Land High School, then moved on to Berkeley High School, and to Lower Richland High School. His record as a head coach in high school for eight seasons was 176-56.

He entered the collegiate coaching profession as an assistant coach at Clemson for two seasons. He also spent five years as the top assistant coach at Gardner-Webb.

"I'm deeply honored that the fine people at Morehead State put their trust in me to take over the Eagle basketball program" Gaither said. "I think through hard work we will be much improved this season. We have more good athletes and our players are working hard."

"I think the fans like our style of play. We like to run with the basketball, and hope to play more man-to-man defense this season. We feel that those two factors make for an exciting brand of basketball."

Gaither's wife Cindy is from Charleston, S.C. They have a son, Mike.

Jeff Burkhamer Assistant Coach

Head Coach Tommy Gaither wasted no time in filling one of his assistant coaching positions once he arrived on the MSU campus. Jeff Burkhamer, who served as Gaither's top assistant at Baptist College, accepted a

similar position on the staff at MSU.

"Jeff was the first one I went to when I came to MSU," Gaither said. "He's one of the brightest young coaches in the country today. A lot of the credit for the success we had at Baptist must go to Jeff for his recruiting and on-floor coaching."

Burkhamer, a native of Williamstown, W.Va., played college basketball and baseball at Alderson-Broadus where he received a bachelor's degree in 1984. He was a three-year starter in basketball and is the all-time assist leader at Alderson-Broadus.

He coached at Winthrop College in Rock Hill, S.C., before joining Gaither's staff at Baptist. He was a four-sport star at Williamstown High School, where he was a first-team all-state selection as a point guard on the basketball team.

He and his wife Dianne were married this summer.

Stuart Ryan Graduate Assistant

Lock Goldberg Volunteer Assistant

Bill Muse Assistant Coach

Bill Muse, a native of Glen Rock, N.J., is in his second season on the Eagle staff.

Muse, who graduated from Mississippi with a bachelor's degree in 1979 and earned a master's degree from South Alabama in 1981, has a

wealth of college coaching experience.

He was associate head coach at Georgia State for two years. He spent four years at South Alabama as an assistant coach and helped lead the Jaguars to a 76-40 record, a Sun Belt Conference championship, an NIT bid, and an appearance in the NCAA tournament.

He has published numerous articles, including "Jump Ball Situations" and "Importance of Free Throw Rebounding" in *Athletic Journal* and "Press Offense Formations" in *Scholastic Coach*.

Muse has owned his own New Jersey based basketball camp, the USA Traveling Basketball Camp, for eight years.

The Alumni Association Most Valuable Player Scholarship Program

The Alumni Association began the Most Valuable Player Scholarship Program last season. Throughout last football and men's and women's basketball seasons selected members of the covering news media in cooperation with the MSU sports information office selected a most valuable player each week. The selected MVP received a letter of notification and congratulations from the Alumni Association and \$100 was given in his or her name to a scholarship fund.

The fund was started on February 21, 1987, when \$500 was given in the name of Phil Simms. The recipient(s) of the scholarship will be a current MSU student who will be a junior or senior the following semester, who for financial reasons has found that he or she may not be able to return to school. The criteria will be worked out between the Alumni Association and the Financial Aid Department. The recipient will not be on any other scholarship program.

After the player of the week has been selected, a picture of the athlete along with his statistics and accomplishments for the week will be displayed in the Adron Doran University Center.

Chancellor Dugan Assistant Coach

Chancellor Dugan begins her third year as a Lady Eagle assistant basketball coach, although she is very familiar with the Ohio Valley Conference.

Dugan was a standout basketball player at Eastern Kentucky University. A three-year starter and captain her final two years, Dugan led the Lady Colonels in rebounding her final two years. The second leading scorer for two years, she is ninth on ECU's all-time scoring list.

After receiving her bachelor's degree in physical education from ECU in 1982, Dugan obtained her first head coaching job at George West High School in George West, Texas.

During Dugan's three-year tenure, she led her teams to a 36-10 record and a pair of district championships. Dugan also spent a one-year stint as an assistant coach at the University of Alabama on a part-time basis.

"Chancellor just loves the game of basketball and puts out whatever effort is needed," said head coach Loretta Marlow. "She has done a great job with the forwards and centers. Chancellor is very enthusiastic, especially about her role with Lady Eagle recruiting."

A native of Louisville, Ky., she is a graduate of Sacred Heart High School where she excelled as a swimmer. Dugan participated in the AAU nationals in Long Beach, Ca. her senior year. Dugan was a member of ECU's swim team her freshman year and made nationals in the 100 meter freestyle, butterfly and backstroke.

**HYDROSTATIC DIESEL
 LAWN & GARDEN
 TRACTOR.**

The Kubota G5200HST runs smooth and quiet with its 3-cylinder 14 hp engine. Its hydrostatic transmission provides ease of operation with one foot pedal control for forward and reverse, as well as speed. Maneuvering around trees and bushes is no problem.

The mower is operated off the front drive shaft, not by a belt system. This eliminates the mower belt related problems of many lawn and garden tractors. Other implements and attachments will put this machine to work all year tilling, snow clearing, and towing.

Take a look at the Kubota G5200 HST and find out why Kubota owners say, "My Kubota. There's nothing like it on earth."
